

Principles of Human Resources for Administrative Managers

19th January 2017 - London

18th May 2017 - London

16th November 2017 - London

Are you required to provide HR administrative support? Do you want to learn more about the HR function in your organisation? Do you want to develop an understanding of the recruitment process, how to conduct interviews and monitor performance?

Being a true business partner and supporting your Management Team is a key role of the PA and Administrator. Therefore, being able to understand the HR function of your business has true value.

Benefits of the Training

This training provides a comprehensive overview of the key knowledge and skills required to provide accurate and efficient HR advice and support.

You will develop an understanding of the recruitment process, learn how to conduct interviews, monitor performance and be aware of the requirements for human resources records.

This one day training course is a Unit of IQ/IAM Level 3 Award in Professional PA & Administration Skills. By attending 5 one day courses and completing written assignments, you can achieve this Qualification. This training can also be attended as a standalone training day and delivered inhouse to your team of administrators.
