

The Role of the Personal Assistant

23rd March 2017 – London

7th December 2017 – London

Do you want to develop a comprehensive understanding of the PA role? Do you want to identify and explore the skills you need to excel? Do you want to develop your ability to network, communicate and influence?

This interactive one day training course acknowledges the complexities of the PA role and the challenges you face. You will cover the most up to date skills to ensure you can support your management team in meeting objectives.

Benefits of the Training

At the end of this training, you will be able to:

- Define the role and skills required of an effective PA and appreciate the value you add to your organisation
- Communicate, network and influence others
- Understand different management styles
- Employ the most up to date practices for effective time management, goal setting and organisation

The training is an ideal opportunity for you to meet other PAs, share best practice and identify how to proactively progress in your career.

This training course is a Unit of IQ/IAM Level 3 Award in Professional PA & Administration Skills. By attending 5 one day courses and completing written assignments, you can achieve this Qualification. This training can also be attended as a standalone training day and delivered inhouse to your team of administrators.
